Gourlay Pianos

The Gourlay Piano, when compared with other Canadian Pianos, is as the Kohinoor among diamonds—IN A CLASS BY ITSELF. They are distinctive for their beauty of tone—a tone full, sweet and of wonderful singing quality; for their beauty of case design;

and for what you might almost call individuality, personality in the touch—a direct appeal to the player with real musical taste.

The Soul of a Gown

A GOWN is a work of art or not, just as the modiste is an artist or not.

If the dressmaker lacks inspiration, though she possess experience and skill, her work, nevertheless, falls short of that distinction which stamps a gown artistic.

Our modistes are enthusiasts in their profession. Moreover, they are in constant touch with the fashion center of this continent — New York. Toronto women may, therefore, confidently expect to receive here the full benefit of such ideas as come only with experience in the metropolis.

And now, perhaps, another point. While recognizing that mere economy is secondary in importance to those subtle qualities of style, fit, grace of line, distinction and effect, still we know that, other things being equal, no woman wants to pay more for a gown than she need.

And "other things ARE equal." They are superior, while our prices are a mere fraction of what you would pay for the the same gown in New York.

We cordially invite you to consult us.

PREFACE.

THE Fifth edition of the SOCIETY BLUE BOOK possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We hope to make the SOCIETY BLUE BOOK as nearly perfect as it is possible to make such a volume.

We do not claim the BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of about three thousand names of the most prominent householders of Toronto, Hamilton and London, and numerous smaller towns, published in the most convenient form for reference by our lady patrons.

The title, "BLUE BOOK," is given the work because of its blue cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "Blue Book — a book containing a list of fashionable addresses."

The data for this work have not been compiled from circulars or from other directories. Experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names.

Please send any information you may have that will aid in keeping the records correct to Dau Publishing Co., 22 Toronto Street, Toronto, Ont.

FATE

“Matrons who toss the cup and see
The grounds of fate in grounds of Tea.”

CHURCHILL

The delicate fragrant flavor of Red Rose Tea is the result of scientific study and methods on the tea plantation, and in the Red Rose Tea testing and blending rooms.

It has what might be called a fruity taste—a rich, ripe flavor that is very pleasing.

Red Rose Tea is packed and labeled by girls, and is never touched by human hand after plucking—all done by machinery to insure utmost cleanliness.

Quality never varies. You can rely on getting exactly the same quality of tea as long as you use it.

Sold by the best grocers.

MRS. BROUSE }
MRS. KITCHEN } *Principals*

WE RECEIVE many complaints from our patrons to the effect that they are bothered so much by **BORROWERS.** These parties are merchants, business and professional men who need a Blue Book every year, yet who are too close-fisted to buy one.

These same individuals are the ones that borrow your Blue Book "just for a minute," which, in the majority of cases, means a day or perhaps a week, unless you remember that they have it and send for it.

These same borrowers will tell our canvasser that he has "no use for a Blue Book," that he "knows everybody," and, vice versa, "everybody knows him."

When he calls again, refer him to us, or to a bookstore.

Elegant ❀❀
Gowns ❀❀
Preserved

*AS a rule, the most elegant gowns have the
shortest lives*

*But dusty floors and muddy streets present
few terrors to the woman who knows of our
establishment and understands its possibilities*

*Whether the soiled garment be a ball gown
or a walking suit, a careful cleaning and
pressing is almost sure to remove all traces of
wear, and restore the original freshness . . .*

*Everything, from the daintiest lace to
the heaviest portieres, is successfully cleaned
or dyed here*

There is nothing singular in the fact that the

HEINTZMAN & CO.

PIANO

Made by Ye Olde Firme of Heintzman & Co., Limited

Stands out distinctive from other Pianos. It is a distinctive production—a Piano with an individuality of its own.

It is not put in comparison with other pianos. That would be unfair to other pianos. It is in a class by itself.

"I had not the slightest idea that such a magnificent instrument as the Heintzman & Co. Piano was manufactured in Canada. It is easily in the front rank of the leading pianos of the world."

—Nutini, the Celebrated Blind Italian Artist.

Electric Fixtures and Art Bronzes

OUR purpose in maintaining show rooms for Electric Fixtures, etc., is in order that consumers of our current may have the benefit of a large assortment of these goods to choose from at reasonable prices.

We have spared no efforts or expense in fitting up our show rooms with everything up-to-date in Electric Fix-

tures, and it is well worth a visit to our rooms to see our display of art bronzes alone.

All pieces are chosen by a lighting expert with a view to practical lighting effects combined with artistic appearance.

SOW "QUEEN CITY"

Lawn Grass Seed

It will soon give you a
nice green sward

We have made the formation
of lawns a study for years, and
many of the finest lawns and
grass plots in Canada were ob-
tained by using the

"QUEEN CITY" LAWN GRASS SEED

with which a perfect and permanent lawn may be established in a few weeks' time. This celebrated Lawn Grass is composed of a thoroughly balanced combination of various native and foreign, fine-leaved deep-rooting grasses of interweaving habit, that flourish in various conditions of soils and climates, growing during different seasons of the year, so that a deep green and velvety sward is maintained all the year round, its constant luxuriance rivalling the famous lawns of England. Price per lb., 25c.; 100 lbs., \$23.00.

FANCY WHITE DUTCH CLOVER for lawns, per lb., 30c.

Sweet Peas

Steel Briggs' Best Mixture from all the best named sorts is unsurpassed both for quantity, size of flowers, and brilliancy of bloom. Per lb., 85c.; ¼ lb., 30c.; oz., 15c.
